Subpart B—Applying for Grants

§ 84.20 What are the grant eligibility requirements?

(a) Eligible grant activities include:

(1) Acquisition of a real property interest in coastal lands or waters from willing sellers or partners (coastal wetlands ecosystems), providing that the terms and conditions will ensure the real property will be administered for long-term conservation.

(2) The restoration, enhancement, or management of coastal wetlands ecosystems, providing restoration, enhancement, or management will be administered for long-term conservation.

(b) Ineligible activities include but are not limited to:

(1) Projects that primarily benefit navigation, irrigation, flood control, or mariculture;

(2) Acquisition, restoration, enhancement, or management of lands to mitigate recent or pending habitat losses resulting from the actions of agencies, organizations, companies, or individuals;

(3) Creation of wetlands by humans where wetlands did not previously exist;

(4) Enforcement of fish and wildlife laws and regulations, except when necessary for the accomplishment of approved project purposes;

(5) Research;

(6) Planning as a primary project focus (planning is allowable as a minimal component of project plan development);

(7) Operations and maintenance;

(8) Acquiring and/or restoring upper portions of watersheds where benefits to the coastal wetlands ecosystem are not significant and direct; and

(9) Projects providing less than 20 years of conservation benefits.

§ 84.21 How do I apply for a National Coastal Wetlands Conservation Grant?

(a) Eligible applicants should submit their proposals to the appropriate Regional Director of the U.S. Fish and Wildlife Service. Proposals must be complete upon submission, and must

include the information outlined in § 84.22 to be complete.

(1) Service Regional Wildlife and Sport Fish Restoration Offices' responsibilities for administration of this grant program include: Notifying the States of the program, its requirements, and any changes that occur; determining the State agencies designated by the Governor as eligible applicants; ensuring that only eligible applicants apply for grants; coordinating with various Service programs to ensure that sound and consistent guidance is communicated to the States; determining proposal eligibility and substantiality; and determining 75 percent match eligibility and notifying the States of approved and disapproved proposals.

(2) Service Divisions of Ecological Services in the regions and field and Fisheries and Habitat Conservation in the national office provide technical assistance and work with Wildlife and Sport Fish Restoration to encourage State participation in this process.

(3) Send your proposal to "Regional Director (Attention: Wildlife and Sport Fish Restoration)" at the address of the appropriate regional office, as provided at 50 CFR 2.2.

(b) The Program operates on an annual cycle. Regional Wildlife and Sport Fish Restoration Offices request proposals from the States in early April. Proposals must be received by the Regional Director on or before a due date set in early June in order to be considered for funding in the following fiscal year. Check with your Regional Office each year for the exact due dates. Regions review proposals for eligibility and substantiality. Regions may rank eligible and substantial proposals and submit them to the national office of the Service in Washington, DC, by a date set in late June. A Review Panel coordinated by the Service's National Office of Fisheries and Habitat Conservation reviews and ranks proposals in early August using the criteria established in this rule. The Director selects the proposals and announces the grant recipients at the beginning of the new fiscal year (October 1).

(c) More than one agency in a State may submit proposals to the Service if the Governor determines that more
